

PBPS 26th Carolina Blues Festival Individual & Family Sponsorships

Sponsors are the life-blood of our annual festival. Without sponsorships, there would be no festival. In order to help you select a sponsorship level to meet your gift-giving budget, we have a variety of choices available. If none of these choices meet your interests, please call us to discuss.

For those patrons that wish to assist in sponsoring the annual festival and supporting our non-profit association, we have created a number of sponsorship levels to suit your interest. Note that we encourage individuals to form their own private sponsorship groups and qualify collectively for the Patrons and Friends levels. Just come up with a name for your group!
